

[REDACTED]

3. Met with the DCI and General Cabell to discuss Congressional problems. The following decisions were made:

a. I am to deliver messages to Messrs. White and Bissell regarding matters affecting our personnel briefing.

b. The Director will call Senator Russell the first of next week and suggest that his Subcommittee meet with us down here, in order to enable us to bring in a number of our experts on various functional areas. He will also suggest to Senator Russell that Senator Stennis be invited to sit in.

c. No immediate contacts will be made on the matter, but the Director will raise with the House Appropriations Subcommittee, at the time of our budget hearings, the problem of derogatory comments which we understand had been made on the quality of intelligence estimating.
